CHAIRMAN, COMMITTEE ON BUDGET AND FINANCE
DISTRICT FOUR

MARCH 10, 2009 WEEKLY UPDATE

Councilman Young and Assemblymember Lori Saldaña presenting the resolution declaring March 9, 2009 "United for a Hate Free San Diego Day"

COUNCIL ACTIONS:

COUNCILMAN YOUNG CALLS FOR PUBLIC HEARING ON POTENTIAL BENEFITS TO THE SAN DIEGO ECONOMY AND COMMUNITIES FROM PRESIDENT OBAMA'S ECONOMIC STIMULUS BILL

On Thursday, March 12, 2009 at 2:00 p.m. I will be convening a Special Meeting of the City Council's Budget and Finance Committee to hear from the Mayor's office and several organizations on their efforts to access the millions of dollars the San Diego region will be receiving from President Obama's American Recovery and Reinvestment Act. Organizations including the County of San Diego, San Diego Housing Commission, Workforce Partnership, San Diego Association of Governments, and the Metropolitan Transit System will be reporting on funding available for health and social services, job training and job creation, transportation projects, housing and foreclosure prevention and intervention programs, and several other funding categories contained in the Act passed by Congress. I recognize that none of this funding can be used to close the City's huge budget deficit, however it is

important for all of us to know how these funds will benefit individuals, businesses, and communities in San Diego that are all suffering from this economic crisis this nation is in.

STREET SWEEPING INFORMATION

Street Sweeping provides two primary benefits to the City. The more obvious benefit is the collection and removal of paper, leaves, and other visible debris that collect in street gutters. This debris can block storm water facilities causing localized flooding during heavy rains. An equally important, but less visible benefit is the removal of metal particles and other hazardous waste products left by passing vehicles. For more information regarding Street Sweeping please call (619) 527-3482 or visit www.sandiego.gov/street-div/strsweep.shtml.
